OVERWIEV

Elevated calm meets Aegean energy.

METT Bodrum is where the ease of coastal living blends with Mediterranean flavours, social vibrance and bohemian spirit.

A hidden bay along the Aegean coast, it offers a sunlit sanctuary with breathtaking views and a natural sense of freedom – from Folie’s barefoot gatherings, to Isola’s Italian-style dining, and the restorative rituals of MOI Spa.

The sea sets the pace

Natural textures, soft colours and wide terraces define our 72 rooms, 31 loft suites and private villas, all opening to the endless blue of the Aegean.

Here, the rhythm of the sea becomes your own – slow, effortless and deeply calming.

Where flavour flows

At Isola, Italian coastal dining meets the spirit of the Aegean.

Handmade pasta, fresh local produce, sunlit lunches and candlelit evenings – all crafted to be shared.

From day to night, flavour, conversation and la dolce vita flow with the breeze.

The coast comes alive

At Folie, summer has a soundtrack.

Barefoot gatherings, golden hours, music on the wind and the sea as the dancefloor – here, social energy rises with the sunset.

Rituals of wellness

Inspired by the softness of the sea, MOI Spa is a sanctuary for renewal.

Holistic treatments, slow rhythms and the quiet language of self-care bring the body and mind back into harmony.

A Bodrum state of mind

From sunrise swims to starlit dinners, METT Bodrum invites you to live in the moment.

Laid-back luxury with a social spirit – a feeling you carry long after you leave.

POSITIONING STATEMENT

Where ease meets energy – on the Aegean coast.

METT Bodrum blends the spirit of coastal living with a vibrant social atmosphere – a destination where Mediterranean flavours, wellness rituals and natural beauty come together in an environment that feels effortless, intimate and alive.

This is laid-back luxury without saying it: sophistication without stiffness, calm without isolation.

Picture sunlit lunches at Isola, barefoot gatherings at Folie, Pan-Asian sunset dinners at Attiko Deck, and the kind of deep reset only the sea can offer – especially inside MOI Spa, our sanctuary of Aegean-inspired wellness.

Signature wellness, naturally.

At the heart of our wellness story is MOI Spa, shaped by the rhythm of the sea. Holistic treatments and slow rituals restore body and spirit – bringing wellness back to its natural state: unforced, personal and deeply calming.

Space made for connection.

With 31 loft suites and private villas, METT Bodrum becomes a place where shared moments flow naturally from friends travelling together to families celebrating milestones.

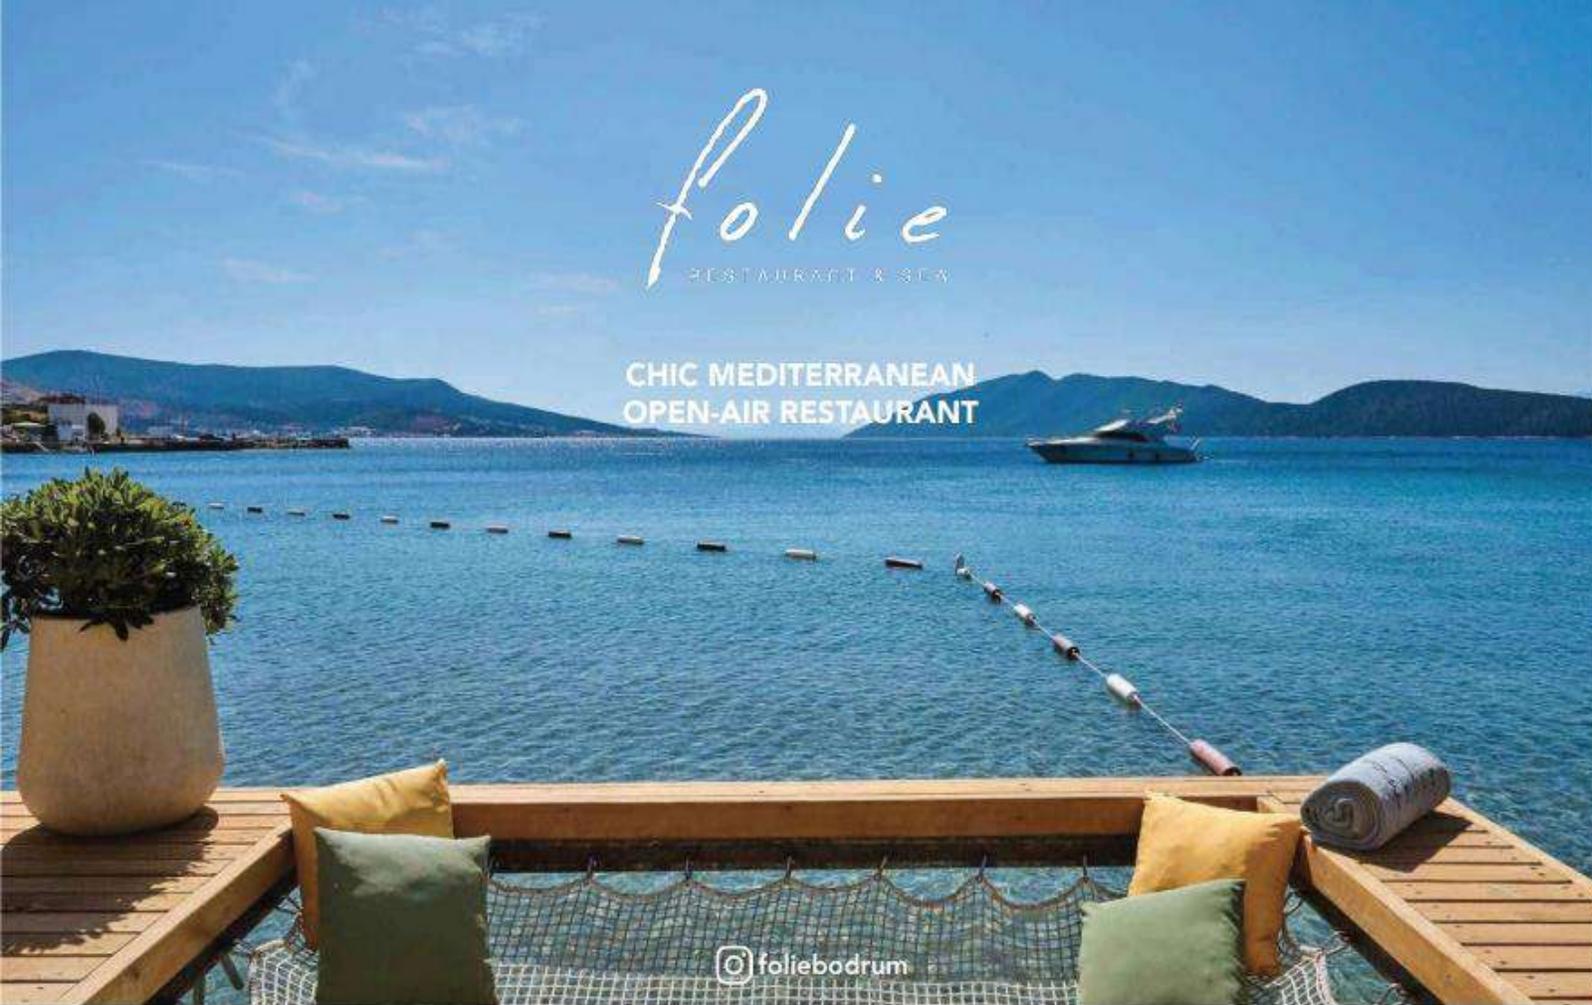

Here, gathering feels effortless and everyone has space to be themselves. We speak to modern travelers who value connection as much as serenity, experience-led, design-aware and socially curious – seeking a destination that feels alive yet easy, elevated yet comfortable, private yet never distant.

Positioned as Bodrum’s new benchmark in lifestyle hospitality, METT Bodrum unites:

- the serenity of its Aegean setting
- the energy of its dining and entertainment (Isola, Folie, Attiko Deck)
- the intimacy of Mediterranean design and intuitive service
- the wellness credibility of MOI Spa
- the space to connect – through suites, villas and moments shared
