WITH AN EXCEPTIONAL CLIMATE

Oliva Nova Beach & Golf Resort is a residential complex in the south of the province of Valencia, located on the beachfront and surrounded by mountains and orange groves. It enjoys an extraordinary microclimate with mild temperatures all year round.

Its facilities include a 4-star hotel, an 18-hole golf course designed by Seve Ballesteros, a spa, a gymnasium, padel tennis courts, natural grass pitches and a high-performance Equestrian Centre. There is also a wide range of leisure and catering facilities without having to leave the Resort.

All of this makes it an ideal venue for any type of business event: conventions, congresses, product presentations, sports events and incentives... As well as any kind of private celebration: weddings, birthday parties, family meals, and more.
