tips to make an event
more sustainable.

Sustainability

Sustainability

TEAM BUILDING ACTIVITIES

**THAT PROMOTE RESPECT FOR THE ENVIRONMENT
AND HELP GROUPS IN NEED**

Concept: Team Building activities supplier and partner. Cooperative that has specialised in activities that promote sustainability and/or participation to improve conditions for groups at risk of social exclusion.

Social

Examples of sustainable activities:

Construction and placement of nesting boxes for species of birds at risk of extinction; Placement of cameras to monitor nesting; Reforestation of degraded green spaces.

Example of responsible activities:

Improving facilities for groups with limited resources (painting and improvements to fencing in social organisation centres, centres for the protection of minors, abused women, etc.)

Healthy Day: Dynamic and practical workshops given by professionals that provide advice and explain the benefits of leading a healthy lifestyle, with guidelines for physical activity.
